

*NCCC Radiologic Technology Class of 2018*

## **Radiologic Technology Celebrates Lab Open House**

On November 8<sup>th</sup>, 2016 the Radiologic Technology Program held an Open House to reveal their new radiology lab located in McCormick Hall, room C-03 on the Saranac Lake campus. The radiology lab is equipped with a Quantum Imaging unit, which allows the students to experience real-life, hands-on learning. With the use of phantoms, students are able to practice their positioning skills, take exposures, and critique images. November 8<sup>th</sup> also happened to be the same day that x-rays were discovered, 121 years ago. Thank you Wilhelm Conrad Rontgen and Happy National RAD Tech week, especially to our NCCC Radiologic Technology Graduates!

If you are interested in applying for the fall 2017 Radiologic Technology Program, please contact the Admissions Office at 518-891-2915 ext. 1686 or [admissions@nccc.edu](mailto:admissions@nccc.edu) Deadline to apply is December 1<sup>st</sup>, 2016.
