

**North Country Community College**  
**Course Sequence**  
**Accelerated A.S. Business Administration**

This sequence is recommended for students in the **Accelerated A.S. Business Administration** program. This sequence assumes that the student has placement tested directly into ENG 101 and into a math course higher than MAT 100, and the student will be attending NCCC full-time for 20 months. However, many students choose to take a reduced course load to complement their life schedules. Regardless, we recommend that you speak with an Academic Advisor prior to each semester to ensure that you are on track, as some courses require prerequisites and others are offered only in the Fall/Spring semesters.

<b>Semester 1A</b>	<b>Fall</b>		<b>18 cr.</b>
BUS 100	Business Organization and Management	3cr.
