

MATH TUTORS

The Learning Assistance Centers at North Country Community College (Malone and Saranac Lake campuses) are looking to hire part-time tutors for students in Pre-Algebra, Elementary Algebra, Intermediate Algebra, Elementary Statistics, Intro to Geometry and Trigonometry, Pre-Calculus and Calculus I (note: Pre-Calculus and Calculus I are not offered regularly and are currently offered online).

The hourly rate of pay is \$17. Hours are flexible, though we prefer tutors who are available between 9:00 a.m. and 4:00 p.m. Monday – Thursday.

Those interested in a tutoring position should contact:
