

NORTH COUNTRY COMMUNITY COLLEGE

The State University of New York

SCIENCE PROGRAMS – HUMAN BIOLOGY ADJUNCT

VACANCY ANNOUNCEMENT

Spring 2019

Malone Campus

Areas: Science Programs: Human Biology

Type of Appointment: Part-time

North Country Community College is a multi-campus, two-year institution founded in 1967. Located in the Tri-Lakes region of the Adirondack Mountains, the College attracts a diverse student clientele of 1500 from the entire state into a variety of A.A., A.S., A.A.S., and certificate programs. The college has campuses at Saranac Lake (main), Malone, and Ticonderoga. Its administrative offices are located on the Saranac Lake Campus where new facilities were constructed in 1978. Nearby Lake Placid offers exciting opportunities for individuals to be involved with Olympic and world-class competitions. The region is renowned for its scenic beauty and outdoor recreation activities.

Qualifications:

- Strong oral and written communication skills
- Masters' degree in related field preferred
- Instructional experience preferred

The College desires applicants with a commitment to the community college mission; teaching, learning, and student success; use of current and emerging technologies to enhance instruction; and integration of diversity and global perspectives in instruction.

To Apply:

Send cover letter and resume to vpaa@nccc.edu or via USPS to Vice President for Academic Affairs, North Country Community College, 23 Santanoni Ave, PO Box 89, Saranac Lake, NY 12983
