

## 2022-2023 AGGREGATE VERIFICATION OF INDEPENDENT STUDENT V5

**Student Name:** \_\_\_\_\_ **NCCC ID (if known):** \_\_\_\_\_

Each year approximately 25% of all financial aid applicants are selected by the federal government for verification. When a student is selected for verification, a college is required to verify that the information reported on the FAFSA is true and accurate. The federal government selected your FAFSA for verification. To complete this, the Financial Aid Office (FAO) is required by law to compare the information that you self-reported on the FAFSA to both the information on this form and to any 2019 federal taxes. FAO is required to update your FAFSA with any corrections. In order to complete verification, submit this form to the FAO and provide us with any 2019 federal taxes. You can fax, scan and e-mail, or mail a copy of this form to the FAO. Failure to submit this information in a timely manner may eventually result in account holds, late fees, and loss of aid.
