I. Objective of Student Employment

The objective of Student Employment at North Country College of Essex and Franklin is to provide student employees with real-to-life work experiences. Supervisors should view their involvement as an opportunity to help students develop good work habits and become responsible employees. Students should regard their employment as important to the functioning of the college as well as an opportunity to gain practical work experience.

There are two types of work programs at the college. They are both considered to be programs of financial assistance:

- The Federal Work-Study Program: A federally and institutionally funded student aid program based on financial need, calculated by determining the difference between the cost of the student's education and the amount the student and their family are expected to contribute toward that cost. A standard formula is used to determine this financial need.
- The College Funded Student Work Program: An institutionally funded work program for students who meet criteria for specialized areas of employment.

II. Student Eligibility

To be eligible for student employment the student must be:

- A U.S. citizen or eligible non-citizen as described by the Federal Student Aid handbook.
- An international student on an I-20 Student Visa.
- Accepted to a program of study through Enrollment Services.
- Enrolled for at least 6 credits per semester.
- Attending classes on a regular basis.
- Making satisfactory academic progress.

Students who meet the above requirements must also submit a Free Application for Federal Student Aid (FAFSA).

Work study is awarded on a first-come, first-serve basis. Students who filed their financial aid applications late and are interested in work-study may be placed on a waiting list. Students on the waiting list may be awarded work-study as funds become available.

III. Assignments and Hiring

Students who are eligible for the federal work-study program will be sent an e-mail with directions on how to locate available jobs. They will then contact supervisors to set up a job interview.

Once the student has been hired, they will meet with the supervisor to discuss job responsibilities, make a schedule, and receive their Student Employment Contract (see appendices). Both the supervisor and the student must sign the contract. It is the student's responsibility to return the completed contract to the supervisor. The student will not be able to start work until the contract and all applicable payroll paperwork is completed, turned in, and the student has been cleared by the Supervisor, Work-Study Coordinator, and Payroll.

IV. Conditions of Employment

Wages

Student employees will be compensated an hourly rate that is equal to or greater than the current federal minimum wage. North Country student employees will be paid according to the following scale unless otherwise specified on their contract:

General Employee	\$ 15.00/hr.
Lifeguards	\$20.00/hr. (Cert. required)

Hours

Student employees cannot work more than 8 hours per week. The Student Employment Contract states the maximum amount the student employee can earn for the academic year. The student employee does not need to earn the total amount they have been awarded; however, they cannot exceed this amount.

Student employees are to have an assigned work schedule. Students must report the hours worked at the end of each workday on a timesheet which must be signed by the student and their respective supervisor certifying its accuracy. Timesheets must be submitted to Payroll by the due date (refer to the Student Payroll Schedule in the appendices) to receive a paycheck. Failure to meet the timesheet deadline will result in a delay of payment.

Both the student and supervisor are responsible for ensuring the student does not exceed the approved number of hours per week.

****Students may not work during scheduled class times — you may not skip a class and work during that time.****

Meal Breaks

New York State Labor Law Section 162 outlines the following:

- Employees who work a shift of more than six hours starting before 11 AM and continuing until or past 2PM must have an uninterrupted lunch period of at least half an hour between 11AM and 2PM.
- If a person is employed for a shift starting before 11AM and continuing later than 7PM, that employee is allowed an additional meal period of at least 20 minutes between five and seven o'clock in the evening.
- Every person employed for a shift of more than six hours starting between the hours of 1PM and 6AM, shall be allowed at least forty-five minutes for a meal period at a time midway between the beginning and end of such employment.
- In some instances where only one person is on duty or is the only one in a specific occupation, it is customary for the employee to eat on the job without being relieved. The Department of Labor will accept these special situations if the employee voluntarily consents to the arrangements. However, an uninterrupted meal period must be given to every employee who requests this from an employer.

Please see Payroll if further clarification is needed.

Periods of Non-Attendance

A student may be employed under federal work-study during a period of nonattendance, such as a summer term or an equivalent vacation period, if they are planning to enroll for the next period of enrollment and must have demonstrated financial need for that period. To meet financial aid eligibility requirements the student must be accepted by the Financial Aid Office to a program leading to a degree or certificate. A student that is suspended will not be allowed to enroll in the college for the next available semester.

Therefore, a student who has been dismissed at the end of a spring semester is not eligible to work that summer.

V. Termination

Supervisors shall discuss any problems with the student employee if he/she is not performing in a satisfactory manner. The student should then be given a chance to improve.

Problems that should be addressed may include, but are not limited to the following:

- Absence without notice
- Excessive tardiness
- Violation of department's rules and regulations
- Failure to work a reasonable percentage of hours granted on contract
- Loitering on the job
- Failure to fulfill job responsibilities in a satisfactory manner

If the supervisor and the student are unable to resolve differences, it may be necessary to terminate/release a work-study student. Once a student has been terminated or released from one position, they will not be reassigned to another job on campus.

Dismissal may be issued for any of the following violations, but not limited to:

- Job abandonment (three consecutive workdays where the employee has not called or reported to work)
- Excessive absences
- Dishonesty and/or theft
- Verbal or physical abuse to a supervisor, personnel, or another work study student
- Abuse of North Country equipment or property
- Excessive failure to attend classes
- Disclosure of confidential information to unapproved parties
- Falsifying timesheets

If a supervisor releases a student from a work-study position, the following steps should be followed:

1. Document, in your department files, the reason for terminating any student. This information should be kept for future reference and may be needed in case of staff changes.
2. Terminate the student's employment, preferably by conference with the student. This is an educational process and the supervisor is asked to thoroughly explain the reason(s) for releasing the student.
3. Notify the Work-Study Coordinator in Enrollment Services in writing by completing the Student Release Form (see appendices).
4. Sign and turn in timesheet for any hours the student worked prior to their termination date. If they worked hours, they must be paid for them.

VI. Unemployment Benefits

Employment at North Country Community College is provided under a program of financial assistance to students and will not be covered for unemployment benefits per section 511.15 of the New York State Labor Law.

V. Responsibilities of the Student Employee

Any job is a serious obligation and performance, attitude, and conduct should reflect this. Wherever one works, organizations strive to create an atmosphere of courteous and efficient service to the public. Any student who accepts a job accepts the responsibilities of maintaining professional standards and agrees to do the following:

- Student must maintain Satisfactory Academic Progress.
- Complete the Student Employment Contract and submit it to the Payroll Office. **You will not be able to begin work until all forms are completed accurately and submitted to the Payroll Office.**
- Understand that a Student Employment Position is a job. The money paid to the student must be earned on an hourly basis.
- Cooperate in creating a work schedule that leaves enough time aside from work and classes to do homework and study for exams. Once a work schedule is established the student is responsible for working those hours.
- Report to work on time and notify their supervisor if this is not possible due to extenuating circumstances. **Note:** Permission to be absent must be granted by the student's supervisor.
- Know and perform in a satisfactory manner the duties of their position as explained by their supervisor.
- Record time worked accurately at the end of each shift. Sign the time sheet at the end of each payroll period. Unsigned time sheets will result in a delay of payment.

- Establish a good working relationship with the supervisor and all other department members.
- Resolve any problems pertaining to their Student Employment Position. If a problem cannot be resolved through the supervisor, the student should contact the Work-Study Coordinator in Enrollment Services.
- Conduct themselves in a professional manner. Maintain the confidentiality of college records and other information they may see or hear.
- Keep socialization to a minimum. On-the-job fun can be acceptable on occasion, but socialization that lowers efficiency and productivity is not acceptable.
- Represent their office or place of employment well. The student worker may be the first contact that a person has with a job site. How a person is received leaves a lasting impression.
- Show initiative. The student should learn all they can about the area or department in which they are assigned. The more a student worker knows about the area, the more valuable they will become.
- Have a positive attitude. Be cooperative and show a willingness to learn. Your work reflects your attitude and level of competency.
- Dress appropriately for your job. Discuss any questions on attire and grooming with your supervisor.
- Inform supervisor of any plans to end employment. Two-weeks notification is recommended. You must complete a Student Release Form (see appendices) and return it to the Work-Study Coordinator in Enrollment Services if you are terminating your employment.

VI. Responsibilities of Supervisor

- Develop accurate and useful job descriptions for their Student Employment Positions.
- Inform student employees of all duties, responsibilities, and any special requirements of the position.
- Inform student employees of any changes in procedures, scheduling, or working conditions.
- Students may not begin working until you have received a written release from either the Work-Study Coordinator or HR/Payroll, even if the student is a returning student to your department.
- Develop good working relations with all student employees.
- Take immediate action to correct inappropriate behavior of student employees.
- Do not request or demand that the student miss any classes to work. Supervisors are encouraged to be as flexible as possible with work hours and students' class schedules. Students are here for academic reasons first.
- See that each student employee's hours are reported accurately, and the work performed is satisfactory. The supervisor's signature on a timesheet is verification the student worked the hours listed.
- Submit timesheets to Payroll as indicated on the enclosed payroll schedule (see appendices). **This is the supervisor's responsibility, not the student's.**
- Complete a Student Release Form (see appendices) whenever a student employee is terminated or resigns and return it to the Work-Study Coordinator in Enrollment Services.

VIII. Pension

All students employed by North Country are eligible to become members of the New York State Employee's Retirement System, a defined benefit plan.

If a student elects to join the Retirement System, they are required to contribute 3% of wages earned to the Retirement System and are required to contribute to FICA taxes. All students will be provided a Retirement Program Election Form (see appendices) in their employment packet.

IX. Student Confidentiality

All student employees at North Country are required to sign a student Confidentiality Statement (see appendices). The statement states that students understand that they have the responsibility to keep any and all information seen or heard in the performance of their duties confidential. Student employees may not copy, remove, or allow unauthorized access to institutional documents, files, or mailing lists. Any violation of this confidentiality agreement will result in immediate dismissal.

X. Direct Deposit

Direct deposit is available to all NCCC employees. To participate, a Direct Deposit Enrollment Form (see appendices) must be filled out and turned into Payroll along with a voided check.

Employee's Withholding Certificate

**Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.
 Give Form W-4 to your employer.
 Your withholding is subject to review by the IRS.**

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

**Step 2:
Multiple Jobs
or Spouse
Works**

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ _____ Multiply the number of other dependents by \$500.....\$ _____ Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period . . .	4(c)	\$

Step 5: Sign Here	Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$30,000 if you're married filing jointly or a qualifying surviving spouse; \$22,500 if you're head of household; \$15,000 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

By selecting ERS/TRS/PFRS, you must take your completed application to your Human Resources office for processing. Enrollment is not complete until your application is processed. You are also given an option to enroll in the SUNY 403(b) Voluntary Savings Plan.

Employees who decline membership in a Retirement System will be given an option to enroll in the 403(b) Voluntary Savings Plan, for which enrollment instructions are provided on the following page. Participating in the 403(b) Voluntary Savings Plan provides you with an opportunity to save on a pretax basis (traditional) and after-tax basis (Roth). With the pretax option, all contributions plus any earnings accumulated are tax deferred, and you pay no taxes until you receive your accumulations in retirement. Money invested in the Roth option is taxed when it is deducted from your paycheck and it provides the potential to withdraw earnings on a tax-free basis in retirement. You will be allowed to split your 403(b) contributions between after-tax (Roth) and pretax (traditional), although the combination of any such contributions cannot exceed the maximum allowed by the IRS.

Employees who elect the Optional Retirement Program (ORP) will be taken to the ORP enrollment process.

Optional Retirement Program (ORP) Enrollment

Note: These instructions are the continuation of the enrollment process for employees who have chosen the ORP.

1. After you click the **Accept & Submit** button in RPE, you will be navigated to the "Thank You" transition page where you can select to enroll in the SUNY ORP only or select to enroll in both the SUNY ORP and the 403(b) Voluntary Savings Plan.

To enroll in the 403(b), please input your contribution percentage/amount (as allowed by your campus) and establish the effective date using the calendar.

To decline participation, click on the blue text "I would not like to add the TOA at this time."

Click the **Continue** button to be taken to complete your Optional Retirement Program enrollment.

2. Selecting the ORP and 403(b) allows you to contribute pretax (Traditional) and after-tax (Roth) dollars to the 403(b) Voluntary Savings Plan, in addition to making your elections for the Optional Retirement Program.

If you elect to enroll in the SUNY ORP and/or 403(b) option, you will be navigated to the **Choose Your Contribution Amount** step where you can input your contribution percentage/amount (as allowed by your campus) to split your contribution amount between the pretax and after-tax (Roth), and establish the effective date using the calendar.
