

THE CONNECTOR

A weekly update to North Country Community College students

VOL. 1, NO. 3

4.16.2020

College to Update Commencement Planning on Tuesday

The college will provide students with an update on our planning for virtual end-of-year ceremonies — commencement, student awards and nursing pinning — at the next Student Town Hall on Tuesday, April 21 at 8 p.m.

President Joe Keegan, Dean of Student Life Kim Irland and Vice President of Academic Affairs Sarah Maroun will lead a conversation on Blackboard Collaborate. This will also be a chance for you to let us know how you are doing, and share any questions or concerns.

Check your college email on Tuesday for an invitation and link to the Student Town Hall.

Jump Into the NCCC Wellness Challenge

It's easy to put off taking care of yourself when you're stuck at home or you're feeling overwhelmed by the stress of COVID-19.

To help you stay healthy and well, the college has launched a new Wellness Community through Blackboard. It includes a wellness challenge with incentives and prizes, wellness coaching, videos on yoga and stress reduction, and other self-care resources.

Visit the [Wellness page](#) on our website for details on how to enroll in NCCC Wellness on Blackboard, and take the challenge!

Course Offerings for Summer, Fall Classes

It's not too early to start thinking about Summer and Fall 2020 classes.

Summer session classes, most of which are online, give students the chance to get a requirement out of the way, advance your degree, complete a challenging course, or explore a new interest. Earn credits and still have plenty of time for summer fun or a summer job.

Returning for the Fall semester? Register now and get ahead of the game. Check out our [class offerings](#) and contact [Admissions](#) for more details at 888-TRY-NCCC or admissions@nccc.edu.

BREAKING: SUNY Launches E-Sports Challenge

Earlier today, Chancellor Kristina Johnson announced plans for the first ever SUNY Esports Challenge powered by Extreme Networks. It is an esports tournament open to all 64 SUNY schools.

The goal of the challenge is to raise money for Student Emergency Funds to help support students who need access to basic resources due to the COVID-19 crisis.

The tournament includes three games: Fortnite Duos, Super Smash Bros., & Rocket League 3v3. Schools are limited to two teams per game. The tournament begins April 27 and lasts for three weeks.

Interested in representing NCCC? Email cknight@nccc.edu.

Student Engagement Activities, April 17-24: a scavenger hunt, bingo and trivia nights, virtual coffee hours. Check out [this week's flyer](#) for all the details, or text NCCC to 76626
