A weekly update to North Country Community College students

VOL. 1, ISSUE 1

## Add a song to President Keegan's COVID-19 Playlist

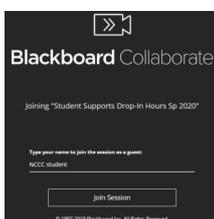

If you haven't done it yet, be sure to watch the [Welcome Back Video Message](#) from our president, Joe Keegan, faculty and staff, and our friend and faithful mascot Bernie.

In the video, President Keegan mentioned that he's putting together a playlist of songs that he wants to send around to students, faculty and staff. What music are you enjoying to get through these days? What's at the top of your playlist right now?

Let President Keegan know! Send your suggestions to [jkeegan@nccc.edu](mailto:jkeegan@nccc.edu). Once the playlist is compiled we'll send it out.

## Tutoring and LAC Support Available Online

Yes, our campuses are shuttered but our Learning Assistance Centers are operating online. Tutors in Saranac Lake, Malone and Ticonderoga are ready to help!

Are you having difficulty with Blackboard? Would a daily meeting with an academic coach help to keep you on track? Want to talk through an idea for a research paper? Stuck on a math problem?

We have tutors who can help you in **ANY** college course.

For more information, send an email to [Lisa Williams](mailto:Lisa Williams) (Saranac Lake), [Kate Wells](mailto:Kate Wells) (Malone) or [Tom McGrath](mailto:Tom McGrath) (Ticonderoga).

## Share a pic for our #SaintsGoRemote campaign

Students, we miss seeing your faces on our campuses, and we know your classmates do, too. We would love to see how you're doing at home in your online studies.

[Send us a picture](#) of you working in your home "classroom" and we'll post it to the college Facebook, Twitter and Instagram accounts with the hashtag **#SaintsGoRemote**.

Here's one to start us off: Brice Roseborough, a second-year student studying Sports and Events Management, at home in Clarksburg, WV.

Email pictures to [cknight@nccc.edu](mailto:cknight@nccc.edu) or text them to 518-637-5814.

## Counseling Services available

If you're struggling with anxiety, stress or depression, or you just need someone to talk to, you're not alone. There are counseling and support services available through our many community partners.

The state's COVID-19 Emotional Support Helpline (1-844-863-9314) is one of those services. It provides free and confidential support, helping callers experiencing increased anxiety due to the coronavirus emergency. The Helpline is staffed by volunteers, including mental health professionals, who have received training in crisis counseling.
