Emergency Funding Options for Students

If you need help paying for basic needs due to the COVID-19 crisis, the college may be able to help.

A student government fund has been set up to assist students with food insecurity and other limited funding sources are available for one-time financial emergencies that might prevent students from completing their education. Please note some sources of funding may require repayment and all emergency funding is only available on a first come first served basis.

For more information on the application process, visit [Emergency Funding page](#) on our website.

Stay Connected with Virtual Bingo, Trivia and Coffee Hours

We miss you, students, and we know you miss us, too! Finding ways to staying connected with each other is very important during this uncertain time of social distancing.

The NCCC Student Government Associations and Student Life Office are committed to continuing student activities remotely for the remainder of the Spring 2020 semester.

Activities include virtual bingo and trivia games, digital scavenger hunts and end-of-semester care packages. To get updates text NCCC to 76626, visit the [Virtual Student Engagement](#) page or click the image at left.

Alexis Poirier, a second-year student in the Rad Tech program, sent us this pic of her online home "classroom" in Malone. When she's not studying or in a virtual class, she's keeping busy going for walks on the family farm, working at Stewart's and texting with friends.

[Send us a picture](#) of you, tell us what you're doing to occupy the time and we'll post it to the college Facebook, Twitter and Instagram accounts with the hashtag **#SaintsGoRemote**.

Scholarship Applications Sought for 2020-21

It's not too late to apply for some NCCC Foundation scholarships for the 2020-21 academic year. Application deadlines may be flexible due to the COVID-19 crisis – when in doubt, apply! For details and more information, check out the [NCCC Foundation Scholarship Booklet](#).

Applications may be submitted to the NCCC Foundation Scholarship Committee by U.S. Mail, or they can be scanned and emailed to foundation@nccc.edu.

The generosity of donors allows the Foundation to make available a variety of scholarships and awards each year.

Upcoming: The college will host its second [Town Hall for Students](#) on Tuesday (4/14), from noon to 1 p.m. on Blackboard Collaborate. Drop in anytime. This will be an opportunity for you to let us know how you are doing, ask any questions, and get updates from the college.
