

# THE CONNECTOR

A weekly update to North Country Community College students

VOL. 1, NO. 5

## Graduates: We need your photos and stories!

To the Class of 2020: Our plans for a Virtual Commencement on May 16 are moving forward at full speed, but we need your help!

**Photos:** We need a photo of each graduate by May 10 for our "Slideshow of Honors." Send us your best selfie! Email pics to [Chris Knight](#), Director of Communications or text him at 518-637-5814.

**Stories:** The Adirondack Daily Enterprise is publishing short, 150-word stories about each graduate. Check your college email in the next day or two for details on how to get your story in the paper.

What are we doing for Commencement? Visit our [website](#) for info.

## It's crunch time, and the LACs are here to help

The end of the semester can be stressful, but there is help out there. The college's Learning Assistance Centers have tutors available to help in any NCCC subject.

Need a research paper proofread? Stuck on a math problem? Maybe you just need someone to help you get through a tough assignment.

LAC tutors can help you through a phone call, Face Time, Skype, email, text, Blackboard Collaborate, Zoom, and many other means.

The Saranac Lake LAC has posted its [Spring 2020 tutor schedule](#) on the college website. And you can reach out to our [Malone](#) and [Ticonderoga](#) LAC staff for help anytime via email.

## Coming Soon: Student Awards Announcements

This year's Student Awards for Excellence ceremony will not be happening in person, but the college and the NCCC Foundation are working on ways to remotely celebrate our students' academic excellence, leadership, and athletic achievements.

We are developing a page on the college website that will digitally showcase all student awards and recipients. Students who are graduating and receiving awards will also be recognized as part of our Virtual Commencement.

Award recipients should expect to see an email notification sometime in early May.

## Care Package Update, Student Engagement Events

Check out this week's Student Engagement flyer (at left) for more details on when end-of-semester care packages will be mailed out, a Zoom session on making digital caricatures, and the schedule of weekly activities like bingo and trivia.

The next scavenger hunt is set to begin on Wednesday, May 6. Download the Goosechase App and check the flyer for the game code and password.

The [Virtual Student Engagement](#) page also has a great sidebar of links to help take your mind off your studies when you need a break, like virtual museum tours, animal webcams and links to live concerts.
