Guide to the Fall 2020 Semester

Whether you're new to the college community or a returning student, welcome to the start of the Fall 2020 semester! Thank you for choosing North Country.

As a means to ensure the health and safety of the college community, most classes will be delivered in an online format this semester. Here are a few highlights of our plans:

- **All operations will be conducted remotely until Sept. 14. For students, that means no campus access (except for bookstore curbside pickup) for the first two weeks of the semester.**
- **Some courses will have live online meetings while others will be fully online.**
- **Daily screening and masks will be required for any in-person classes.**
- **Appointments to access in-person tutoring, library services, and computer lab will be possible after Sept. 14.**

To view our full plan for the semester visit our [Fall 2020 page](#), or watch our [Fall 2020 Plan and Protocols presentation](#), narrated by college President Joe Keegan.

If your questions are not answered, [reach out to us](#) and let us know. As the semester continues, be sure to check your college email, the Fall 2020 page, and follow us on social media for regular updates.
