Articulation Agreement between North Country Community College, A.A.S. A.S. in Business Administration with the Sage College of Albany, Business, BBA

## Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the A.A.S. or A.S. Degree in Business into the B.S. Business, B.S./BBA program at the Sage College of Albany. Counselors at North Country Community College can use the information in this agreement to advise current students as they express an interest in the Business BBA program as to which NCCC courses should be taken prior to application for transfer.

## Terms of Agreement

This articulation agreement, once signed, will be effective immediately and must be reviewed and re-approved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure of review and re-approval shall be as follows:

The latest available catalogs of the two institutions are reviewed by the SCA Program Co-ordinator and the revised draft is prepared by the SCA Program Co-ordinator.

A final draft is signed by the department chairs of both institutions and by the appropriate administrator of both institutions.

All of the most recently published rules for accepting transfer students into programs at SCA apply. The agreement supplements, but does not supercede or replace, what was written in the latest catalog.

SCA agrees to accept and transfer into the B.S. program up to 66 credit hours earned by the student at North County Community College, who takes the courses listed below. Only courses of earned grades of C- or better will transfer, and students who attain a combined Grade Point Average of 2.5 in courses will automatically be admitted into the Business Administration Program.

This agreement covers courses taken at North County Community College only. If students from NCCC have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits.

If students from NCCC wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with C- or better will transfer, but outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained, if 54 or more of the credits are transferred. All transfer students must meet with a Business advisor to plan their courses and to determine how many semesters are required for degree completion.
