

TRANSFER ARTICULATION AGREEMENT

NORTH COUNTRY COUNTY COMMUNITY COLLEGE and THE SAGE COLLEGE OF ALBANY

AAS Computer Graphics and Design to BFA Graphic and Media Design

OBJECTIVE

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in North Country Community College's *AAS Computer Graphics and Design* into the Sage College of Albany's *BFA Graphic + Media Design* program. Academic advisors at North Country Community College can base their advisement of current students who express an interest in the Sage *BFA Graphic + Media Design* program as to which NCCC courses should be taken prior to application for transfer.

TERMS OF AGREEMENT *BFA GRAPHIC + MEDIA DESIGN* ARTICULATION

This articulation agreement, once signed, will be effective immediately and must be reviewed and re-approved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure of review and re-approval shall be as follows:

- The latest available catalogs of the two institutions are reviewed by the Sage College of Albany (SCA) Program Coordinator and the revised draft is prepared by the SCA Program Coordinator.
- A final draft is signed by the department chairs of both institutions and by the appropriate administrator of both institutions.

All of the most recently published rules for accepting transfer students into programs at SCA apply. This agreement supplements, but does not supersede or replace, what was written in the latest catalog.

SCA agrees to accept and transfer into the BFA program up to 66 credit hours earned by the student at North County Community College, who takes the courses listed below. Only courses of earned grades of C- or better will transfer, and students who attain a combined Grade Point Average of 3.00 in courses will automatically be admitted into the *SCA Graphic + Media Design Program*.

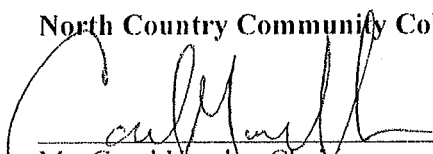

This agreement covers courses taken at North County Community College *only*. If students from NCCC have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits. If students from NCCC wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with C- or better will transfer, but outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained, if 54 or more of the credits are transferred. All transfer students must meet with a

Graphic + Media Design advisor to plan their courses and to determine how many semesters are required for degree completion. A Portfolio review is also a requirement for admission to the program.
