

TRANSFER ARTICULATION AGREEMENT
between
NORTH COUNTRY COMMUNITY COLLEGE
and
SUNY POTSDAM

The purpose of this agreement is to facilitate the transfer of graduates from North Country Community College to baccalaureate degree programs at SUNY Potsdam. Students are advised to follow specific major requirements as outlined in the attached North Country/Potsdam Major Advising Guide (this guide is also available online at www.potsdam.edu/admissions/transfer/articulation.cfm). Students transferring with an associate degree will enter SUNY Potsdam as juniors and, assuming normal academic progress, have the opportunity to complete the B.A. or B.S. degree in two additional years of full-time enrollment. Students transferring to majors that have no introductory courses at North Country may require additional time to complete the baccalaureate degree.

Admission

- the application is available online at www.suny.edu/student - the application fee is waived for students transferring with an associate degree from North Country Community College
- an official transcript is required from every college attended in order to be considered for admission
- students transferring with an associate degree from North Country are guaranteed admission to SUNY Potsdam (a 2.5 or higher grade point average is required for teacher education majors) A music audition is required for admission consideration for music degree programs.
- transfer scholarships are available to fall semester transfer students with a 3.25 or higher gpa and are renewable for one year if gpa is maintained – the application is available at www.potsdam.edu/scholarships

Transfer of Courses

- all college-level courses from North Country transfer. Transferability of NCCC courses can be found at www.potsdam.edu/admissions/transfer/course_equivalency_tables.cfm
- non-major courses with grades of “D” or higher will transfer, a “C” or higher is required for all major courses
- an official evaluation of transfer credit is mailed with the transfer admission acceptance letter

SUNY General Education

- students transferring to SUNY Potsdam with a North Country associate degree, having completed 30 semester hours of general education including 7 out of 10 SUNY General Education requirements, will be exempt from any additional Potsdam General Education Foundations and Modes of Inquiry requirements not already satisfied.
- transfer students must complete Potsdam’s Modern Language requirement on a pro-rated basis, a PE activity/HW requirement (2 courses), and Speaking and Writing Intensive requirements if not already satisfied at North Country. The SI and WI requirements are typically satisfied by completion of upper-division major course work.

Transfer Services

- students have the option to complete an online orientation or attend a Transition Conference immediately prior to the beginning of the fall and spring semesters
- transfer students are individually advised for first semester course selection by specially trained academic advisors

This agreement commences upon the date of its signing and shall remain in effect until terminated by either college. The Major Advising Guide will be reviewed on a periodic basis and updated as curricular changes are made at each college.
